PLAY WITH COLOURS
OFFICE SPACE DESIGN
FABRIC Cocoon

Shown with
ISOLA Screen
Cocoons are felt fabrics with a dense texture that come to life through a palette of intense and deep colors, creating a cozy and warm atmosphere. Made of 100% wool, an environmentally friendly material, Cocoons are Oekotex-certified and have also acoustic and anti-allergic properties. They fit perfectly to modern layouts, combined with materials such as steel, concrete, or wood.
